Superintendent

August 31, 2023

Dear MCSSSD Students and Families,

Welcome back to another exciting year at Mercer County Special Services School District! We hope you have had a fantastic break and are ready to embark on a journey of learning, growth, and new experiences.

Once school begins on September 7th, please remember that each day holds the promise of discovery and the acquisition of new skills. Whether you are a returning student or joining us for the first time, we are thrilled to have you as part of our vibrant and diverse school community.

This year students will be challenged and inspired by our dedicated teachers, related service providers and support staff. There are also a variety of activities that cater to students' interests. From our clubs, activities and competitive teams there's something for everyone to get involved in.

While academic and social emotional growth are important, we also encourage you to embrace the opportunity to connect with your fellow students and families. Forge new friendships, support one another, and create memories that will last a lifetime. School is a place to explore your interests, discover your strengths, and overcome challenges. We believe in your potential and are here to help you every step of the way.

Remember, you are not just coming back to school; you're returning to a place where you can learn, grow, and contribute to the collective spirit of our district. Your unique voice and perspective enrich our community, and we can't wait to see the positive impact you will make.

Welcome back Mercer County Special Services students and families. Let's make this year one filled with accomplishments, laughter, and shared achievements. Here's to a successful and memorable year ahead!

Best regards,

Matthew C. Carey
