2025 LT'S Avengers Autism T-Shirts

LOVE from a Different Angle says it all about our friends with Autism! **The Infinity** symbol means we are all interconnected. Our actions and choices have a lasting impact on others. **The Butterflies** are a sign of hope and new beginnings. Did you know that butterflies can see colors that we cannot? Like our friends and all of their amazing hidden talents. Our late friend & educator, Lauren Tenaglia taught us to accept & advocate. By purchasing this year's T-Shirt, you help us continue LT's passion for supporting our friends with Autism. The T-Shirt is Black with "**LT'S Avengers**" written on the left sleeve. All proceeds benefit the **Parents of Autistic Children (POAC)** Walk-a-Thon, which goes to fund numerous parent/teacher training & workshops held throughout the year.

Orders Due: January 27th by Noon (Delivery after February 24th)
