INTENT

It is the intent of the Mercer County Special Services School District to enter into a contract with the lowest responsible bidder to provide installation of, and maintenance and repair services on all district-owned physical security control systems for its facilities and facilities of the MCSSSD Cooperative Pricing System.

Mercer County Special Services of Mercer County (MCSSSD) is requesting firm labor costs and percentage discount rates for various equipment, software, and services to serve the district, and affiliated purchasing cooperative members for maintaining identity management, physical security, event notification/response, video surveillance solutions, and data sharing tools between various sub-systems to maximize the utility of the identity and access control credential in the school district.

BIDDER QUALIFICATIONS

All bidders must submit proof of the following:

- RS2 VAR Status & Experience
- Genetec VAR Status & Experience
- All bidders must submit a letter of certification from the manufacturer of products on which they are bidding, verifying they are authorized to sell, install and maintain their products with this bid. Failure to do so will render the bid non-responsive.
