School Business Administrator/Board Secretary

July 11, 2022

Dear MCSSSD Parents/Guardians of students attending the 2022 ESY Program:

The Keep Kids Fed Act was signed into law on June 25, 2022. As a result, MCSSSD will be able to offer our students nutritious meals during the ESY program free of charge regardless of the child's eligibility status. Students can choose to have a meal at both breakfast and lunch serving times. However, items chosen by the student in addition to the meal serving size will be charged to the student's account.

Please note that at this time, the waiver noted above is **ONLY** for the summer program. We will begin charging for meals on September 7, 2022. Applications for the 2022-2023 school year will be available soon. If you believe you would be eligible for free or reduced priced meals, you are strongly encouraged to complete an application with MCSSSD.

If you have any questions regarding our School Lunch Program, please feel free to reach out via email at meals@mcsssd.us.
