

James A. Fazzino, Ed. D.
Interim Superintendent

January 25, 2022

Dear MCSSSD families,

In order to maintain a safe and healthy environment for our students, staff and school community, we continue to monitor COVID-19 on a daily basis. We do this by identifying direct contacts and notifying those individuals if there is a need for isolation/quarantining or testing. Additionally, we continue to follow all recommendations from the CDC, NJDOH, NJDOE, and local health department along with the executive orders from the governor.

Daily notifications through ROBO calls will no longer be part of the process of notification. Please contact your building nurses if your child or anyone in your household would develop symptoms of COVID-19, test positive for COVID-19 or are waiting for test results.

As always, if you have any questions or concerns, please contact your school nurse or building principal.

Sincerely,

A handwritten signature in blue ink that reads "James A. Fazzino".

Dr. James A. Fazzino
Interim Superintendent
