

James A. Fazzone, Ed. D.
Interim Superintendent

August 6, 2021

Dear MCSSSD family:

While the NJ Travel Advisory is no longer in effect, individuals should follow CDC guidance regarding domestic and international travel. The guidelines are as follows:

Domestic Travel Recommendations for Fully Vaccinated People

If you are [fully vaccinated](#), take the following steps to protect others when you travel:

Have You Been Fully Vaccinated?

People are considered fully vaccinated*:

- 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or
- 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine

If you do not meet these requirements, you are NOT fully vaccinated. Keep taking all [precautions](#) until you are fully vaccinated.

- After Travel
 - Self-monitor for COVID-19 symptoms; isolate and get tested if you develop symptoms.

You do NOT need to get tested or self-quarantine if you are fully vaccinated or have recovered from COVID-19 in the past 3 months. You should still follow all other travel recommendations.

Domestic Travel Recommendations for Unvaccinated People

If you are not fully vaccinated and must travel, take the following steps to protect yourself and others from COVID-19:

- Before you travel:
 - Get tested with a viral test 1-3 days before your trip.
- After you travel:
 - **Get tested with a viral test 3-5 days after travel AND** stay home and self-quarantine for a full 7 days after travel.
 - Even if you test negative, stay home and self-quarantine for the full 7 days.
 - If your test is positive, [isolate](#) yourself to protect others from getting infected.
 - If you do not get tested, stay home and self-quarantine for 10 days after travel.
 - Avoid being around people who are at [increased risk for severe illness](#) for 14 days, whether you get tested or not.
 - Self-monitor for COVID-19 symptoms; isolate and get tested if you develop symptoms.

For those traveling internationally, please follow the CDC guidelines at the following link:

<https://www.cdc.gov/coronavirus/2019-ncov/travelers/international-travel-during-covid19.html>

Sincerely,

James A. Fazzone, Ed.D.
Interim Superintendent
