Dear MCSSSD Parents and Families,

In preparation for our anticipated November Hybrid Reopening, we are changing our start date from Monday, November 2, 2020 to Monday, November 9, 2020. We are changing our start date due to the unanticipated on-site school closing date of Tuesday, November 3, 2020. In addition, staff and students are off for the NJEA conference being held on Thursday and Friday, November 5 and 6, 2020.

The schedule for instruction that week will be as follows:

Monday, November 2nd - all remote
Tuesday, November 3rd - all remote
Wednesday, November 4th - all remote
Thursday, November 5th - Teachers and students have off
Friday, November 6th - Teachers and students have off

Each school building will begin following the hybrid schedule prepared by the administrators in your child's school building. Please look for their communication to follow this announcement.

Additionally, you will notice that our teachers and therapists will be returning on-site Monday, October 19, 2020. They will be preparing lessons and presenting instruction from their classroom or office as we make sure our spaces and classrooms are safe for your child's return.

Finally, a survey will be going out to parents shortly to determine which students, if any, are electing to continue to utilize all remote instruction.

Thank you all for your incredible patience as we continue to work compassionately with our students under the most unbelievable circumstance. We are encouraged to hear that our families are busy learning to wear masks, practicing social distancing and enjoying virtual activities with their classmates.

We look forward to seeing you all in person soon.

Sincerely,

A handwritten signature in blue ink that reads "Kimberly J. Schneider".
