

Trusted Websites for Information on the Coronavirus

Many employers have asked “where can we get validated information about the coronavirus other than the CDC” about its impact, treatment, frequently asked questions, and more. There is an abundance of information online, much of which is suspect. Below are two validated clinical sources that can be trusted and shared with your employees and others.

Validated Clinical Resources

Harvard Medical School Health Resources

<https://www.health.harvard.edu/diseases-and-conditions/coronavirus-resource-center>

Mayo Clinic

<https://www.mayoclinic.org/diseases-conditions/coronavirus/expert-answers/novel-coronavirus/faq-20478727>

Also, below are links we sent previously to employee educational videos explaining what employees need to know about the coronavirus.
