May 26, 2021

Dear MCSSSD family,

Administration has been looking at the current weather conditions and warmer days to come and we feel it is important for children to be outside and enjoy the fresh air, so we have had conversations with the local health department and other school districts and agree that modifying the District's mask-wearing policy is in the best interest of all for the remainder of the school year.

Effective today, Wednesday, May 26, 2021, students will have the option to no longer wear masks outdoors while participating in recess, physical education classes, or sporting events. The District will continue to adhere to social distancing guidelines from the CDC and the New Jersey Department of Education. Masks, however, are still required inside all school buildings as well as on the school buses.

Sincerely,

A handwritten signature in blue ink that reads "Kimberly J. Schneider".
